Counselor Comments

The Department of Children and Families, Office of Child Care Regulation has completed the rule promulgation process for Child Care Standards, Chapter 65C-22, Florida Administrative Code. The new rule language became effective on October 25, 2017. Please be advised that your program will be monitored using the new standards during your next licensing routine or renewal inspection whichever inspection type is due next based on your license expiration date. To access the new rule language visit the following link: <https://www.flrules.org/gateway/ChapterHome.asp?Chapter=65C-22>

Child Care Facilities Standards -

Chapter 65C-22, F.A.C. has been revised and became effective October 25, 2017. The revisions to the Chapter of Administrative Code repealed sections of rule and moved those standards within an incorporated document - Child Care Facility Handbook. The Department is working on creating new inspection templates to update the rule references for each standard to correspond with the handbook. The standards remain the same, but were relocated to the handbook along with a few new standards. Your licensing counselor is providing today a copy of a reconciliation document and the new classification summary for your program type. An electronic copy of these documents may also be accessed via the following link: <http://www.myflfamilies.com/service-programs/child-care/laws-and-requirements> under the Classification Summaries Section. The reconciliation document, CF-FSP Form 5420, corresponds with the current inspection template and identifies the new location of each standard on the new classification summary, CF-FSP Form 5316. The new classification summary document identifies the new handbook reference for each standard. If you have any questions concerning the location of the standard reference please ask your licensing counselor or contact the Department's Child Care Regulation office at (850) 488-4900 and ask to speak with a policy team member.
