DO YOU WANT A CAREER— NOT JUST A JOB?

Fort Myers Technical College (FMTC) was established in 1967 and is part of The School District of Lee County. Fort Myers Tech features a caring and skilled staff of program instructors in a safe learning environment.

Fort Myers Tech offers many diverse technical and industrial programs. Students may receive part-time or full-time job assistance while attending FMTC.

Fort Myers Tech specializes in career training designed to take you from your career choice to the workplace as quickly as possible.

Fort Myers Technical College is accredited by the Council on Occupational Education and AdvancEd.

Your career starts at Fort Myers Tech!

MISSION: The mission of Fort Myers Technical College is to provide high quality career and technical training, in order to prepare students for current and emerging industries, delivered by a professional and caring staff in a positive learning environment.

VISION: All students enrolled in vocational/technical programs will obtain workforce credentials through certificate programs and, where applicable, industry certification and/or licensure.

The School District of Lee County does not discriminate on the basis of gender, race, color, age, religion, sex, sexual orientation, national or ethnic origin, marital status, or disability in the provision of educational programs, activities or employment policies as required by Title IX, Title VI, Title VII, Age Discrimination Act of 1967 and Section 504 of the Rehabilitation Act of 1973, 1992, Americans with Disabilities Act, the Florida Educational Equity Act of 1984 and the Boy Scouts of America Equal Access Act. Established grievance procedures and appropriate discrimination complaint forms are available from the Equity Coordinator at Fort Myers Technical College. Complaints/inquiries regarding compliance with these regulations may be submitted in writing to: Equity Coordinator, Fort Myers Technical College, 3800 Michigan Ave., Fort Myers, FL 33916.

Lack of English language skills will not be a barrier to admission and participation. The District may assess each student's ability to benefit from specific programs through placement tests and counseling, and, if necessary, will provide services or referrals to better prepare students for successful participation.

For more information about our graduation rates, the median debt of students who completed the program, and other important information, please visit our website at https://www.fortmyerstech.edu/gainful-employment/WELD-Gedt.html.

Enroll in 2 Easy Steps

1

Call or stop by to explore your career choices and ask for information on entrance requirements.

2

Meet with Student Services to enroll in your career training program.

Financial aid is available. No fee for high school students. The tuition rate is set by the state legislature and is typically adjusted annually. Call FMTC for this year's rate and applicable lab fee.

Welding Technology

High quality training offered at the lowest cost in southwest Florida!

(239) 334-4544

WELDING Technology

Length of Welding Technology Program:

Approximately one school year

Certification:

American Welding Society

Become a Welding Fabricator!

The program combines classroom instruction with hands-on laboratory experiences to teach students to weld and cut metal by the oxyacetylene and electric arc methods. Students will become knowledgeable about the inert gas-shielded welding methods (MIG & TIG). "AWS" and "AISI" standards are used to appraise welding performance.

Course content subject to change without prior notice.

"Students receive hands-on training in a low student to instructor environment."

The Welding Technology program provides students the opportunity for employment in a variety of welding-related occupations.

Training Topics Include:

- Intro to Welding
- Oxyfuel Welding
- Intro to Equipment
- Safety, Set-up & Operation
- Blueprint Reading
- Shield Metal Arc Welding
- Flux Cored Arc
- Gas Metal Arc Welding
- Gas Tungsten Arc Welding
- Entrepreneurship
- Employability Skills
