

## **Scholarship Criteria**

### **Pursue Your Educational Goals with Our Plumbing and HVAC Scholarships**

At Pro-Tec Plumbing & Air we take pride in our commitment to develop our local community and the families we serve. As plumbing and HVAC technicians, we realize that we are fortunate to have received education and training that allows us to pursue a lifelong, fulfilling, and challenging career.

We are excited that we are now able to pay forward our good fortune to the next generation of individuals wishing to enter these rewarding fields by offering a scholarship for plumbing or HVAC students.

We are now accepting applications for these scholarships. These scholarships are open to all Plumbing and HVAC students planning to attend or are attending Fort Myers Technical College.

### **Plumbing and HVAC Scholarship Eligibility**

1. Must be at least 21 years of age or older.
2. Must be currently enrolled in either the Plumbing or HVAC track.
3. Must completely fill out the Pro-Tec Plumbing & Air Scholarship Application.
4. Must write a minimum 500-word essay, detailing why you decided to enter your chosen trade.
5. For our finalists, you must be willing to meet with our leadership team and expound on your written essay.

### **Overview**

Pro-Tec Plumbing & Air will provide four individual scholarships per year. Each Scholarship is worth \$1,000. Pro-Tec Plumbing & Air reserves the right to determine how the scholarships are split between the two tracks of study.
