Notification of the Presence of Asbestos-Containing Materials in the School

To the Students of Fort Myers Technical College:

This school has been recently inspected and certain asbestos-containing materials or assumed asbestos-containing materials such as: fire doors or roofing materials that are tested prior to repairs or removal as needed, have been located in the school buildings. Please be aware that the School District of Lee County has an active management plan designed to ensure that the building is maintained safely for all occupants. These materials are being controlled in accordance with the Asbestos Management Program for the School and following the limitations and procedures of the policies and requirements of the Asbestos Operations and Maintenance Program of the School District of Lee County.

The report listing the location, quantities, and condition of all known materials and contains the details of the control procedures is available at the school office for your inspection during normal school hours. Copies of the whole or parts of the school's asbestos file can be supplied to you at a cost of \$0.15/page.
