FMTC is required to calculate the Cost of Attendance (COA) each year. The COA is a student expense budget used to determine the maximum amount of financial aid that students may receive from all sources. The COA includes an estimate of tuition and fees, housing and food expenses, books, supplies, transportation, industry certification/licensure fees, and personal expenses. The COA for FMTC can be found at https://fortmyerstech.edu/future-students/how-much-will-it-cost/.

Important: All prices are approximate and subject to change. This statement is to be used for informational purposes only.
